DISCUSSION

This position was developed in 2012 and at that time placed in the PAGE union, IAFF Local 644 argued that the position should be in IAFF Local 644. Without reaching agreement on that issue, Local 644 brought the matter before the Commission of Industrial Relations (CIR) and after hearing the matter, CIR ruled the position should be placed in IAFF Local 644 union.

This action deletes the position from the N pay plan.
